

How to log-in into <https://cremation-permit.app>

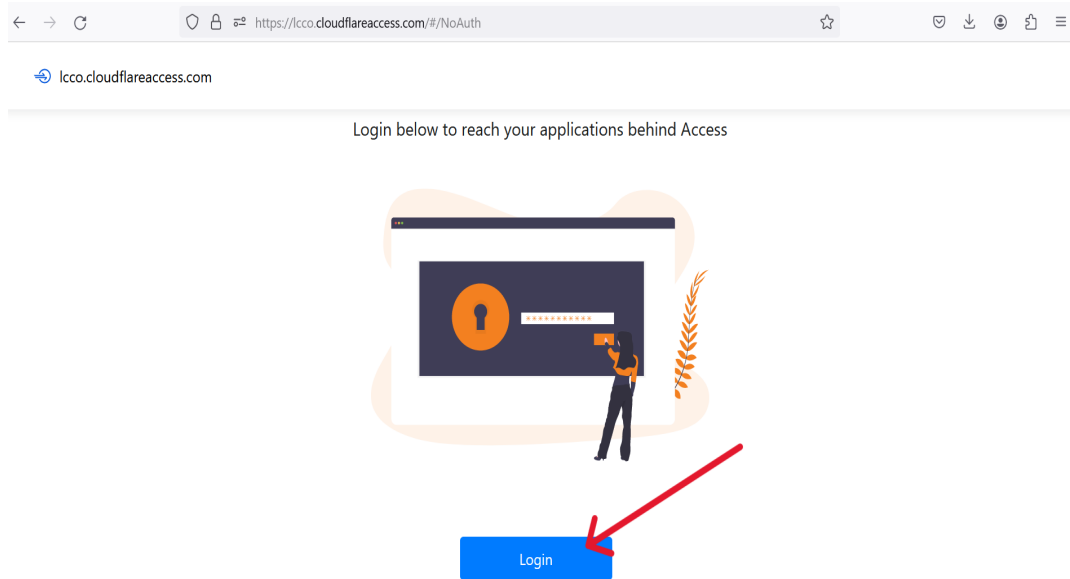

- 1) Using any internet browser (chrome, firefox, edge, etc.),
navigate to: <https://cremation-permit.app>

- 2) Click **Log In**

A screenshot of the website cremationpermit.lee-county.alcoroner.gov. The browser address bar shows the URL and a "New Chrome available" notification. The page header includes "An official website of Lee County, Alabama Government" and a link "Here's how you know". The main heading is "FUNERAL HOME & HOSPICE RESOURCES" with a star icon below it. A white box with a red border contains the text "LICENSED PROFESSIONALS" and a message: "This page is designed for use by Funeral Homes, Hospice Providers, and other Licensed Professionals. If you are not a licensed professional, please visit our public site [here](#)." Below this is a section titled "CREMATION PERMITS". It contains two columns. The left column is titled "Submit a Cremation Permit Request" and says "Cremation Permits are completed electronically. Please click Login below to start a new cremation permit request." It features a blue arrow pointing to a red "LOGIN" button. The right column is titled "Instructions" and says "Use the links below for login instructions and instructions on how to fill out the cremation permit request." It contains two links: "Login Instructions" (PDF) with the text "Open the login instruction guide" and "Cremation Permit Instructions" (PDF) with the text "Open the cremation permit request guide". Below the "CREMATION PERMITS" section is a section titled "DEATH CERTIFICATES".

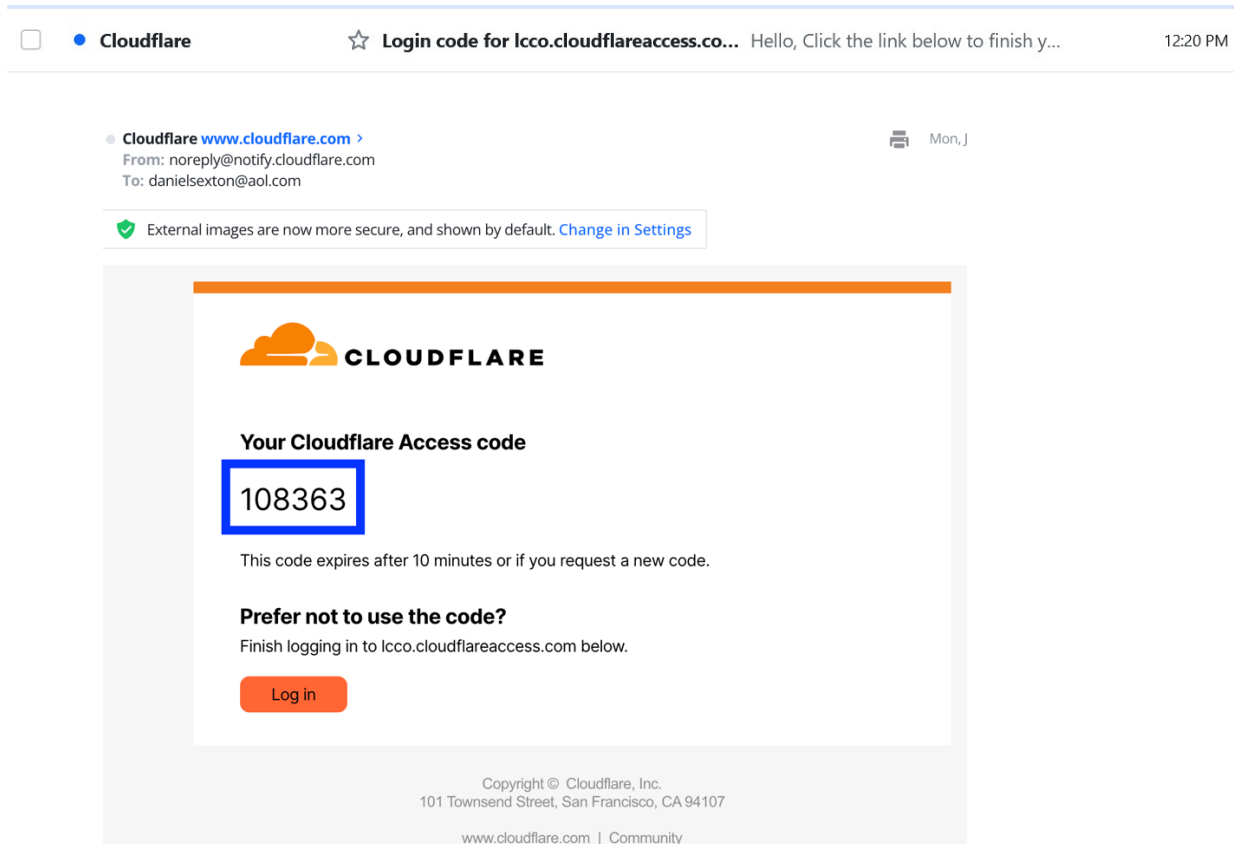

3) If you see this screen, **click log in again**

4) Enter your email address and then **click send login code**

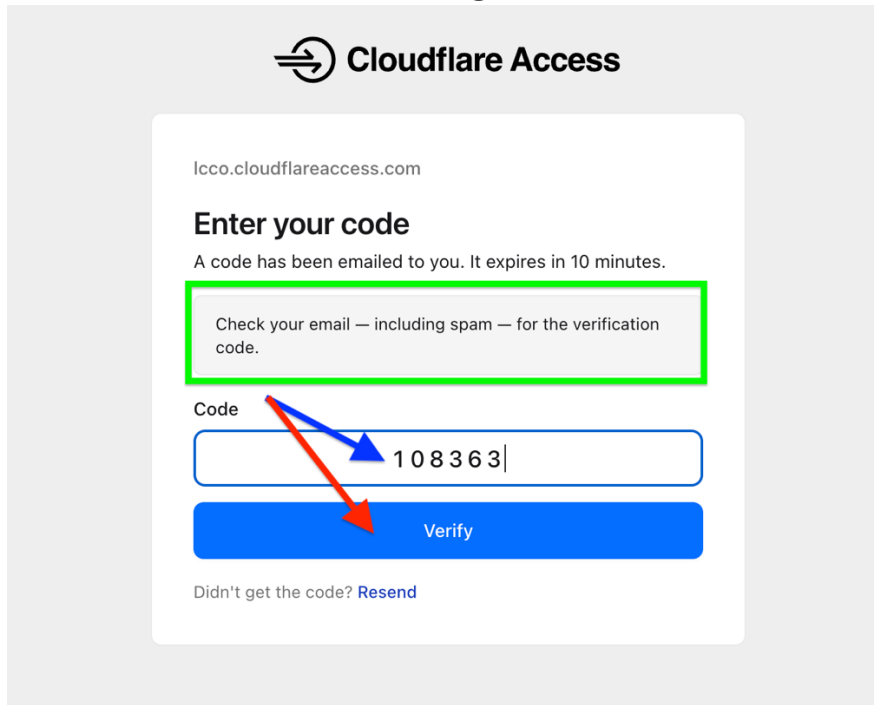

A screenshot of the Cloudflare Access 'Log in to App Launcher' screen. The header features the Cloudflare Access logo and the text 'Cloudflare Access'. Below this, the URL 'lcco.cloudflareaccess.com' is displayed. The main heading is 'Log in to App Launcher'. Underneath, there is an 'Email' label and a text input field containing 'daniel@aol.com'. A blue arrow points from the top right towards the email input field. Below the input field is a large blue button labeled 'Send login code'. A red arrow points from the top right towards the 'Send login code' button.

5) **Open your email and find the email from Cloudflare that contains the code**
